GREENLEAF
landscaping & lawn care

788 South Runyon Road
Greenwood, Indiana 46143
(317) 881-4566

Plant Materials Warranty

Greenleaf Landscaping warrants our plant material to be true to name, size and in good condition at the time of planting. We will only use those plants which are in good condition and suitable to our hardiness zone. If a plant requested is not suitable to our hardiness zone, we will suggest an alternative plant. If the requested plant is used, it will be excluded from our warranty.

Greenleaf Landscaping will provide you with tips on plant care during our consultation and again after completion of the installation. Plants must be cared for or they will not thrive. Watering and other general instructions will be included.

Terms of Warranty

We warranty all nursery stock (excluding roses, annuals, and small fruits) for a period of **one year**, for the original purchase price, provided the material has been planted and maintained properly. We will install a replacement plant, but we will not refund the purchase price. The replacement plant is not covered under warranty. This warranty pertains to the survival, not productivity, since the latter is out of our control.

Not included in the warranty:

- Replacement of any plant when the account is past due or has not been paid according to terms.
- Replacement of plants that die as a result of an Act of God or are affected by abnormal and/or extreme weather conditions, such as a drought, prolonged subzero temperatures, early and late season severe freezes, floods, damaging winds, etc.
- Replacement of plants that are damaged or die as a result of insect infestation or disease.
- Replacement of plants that are injured or die as a result of improper cultural practices, such as over or under-watering, over-fertilization, damage from improper chemical applications or mechanical equipment.
- Replacement of plants that we planted, by request, in areas which receive a reduced amount of natural rainfall or none at all. Plants that are not well suited to our temperature or soil conditions. If any of these plants are requested they will be excluded in writing.
- Transplantation of existing plants on the property are not included in the warranty.

Any alteration or deviation from the above specifications involving extra costs will be an extra charge over & above the estimate. If a problem does arise, please notify us. Remember, most situations are correctable with proper treatment.

Thank you for choosing Greenleaf Landscaping & enjoy your new landscaping!
